**HORIZON METROPOLITAN DISTRICT NO. 2  
2021 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Services Provided**

The District, a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by order and decree of the District Court for Arapahoe County on December 29, 2005, to provide financing for the acquisition and installation of streets and traffic signals, water, sewer, storm drainage and park and recreation facilities. The District's service area is located entirely within the City of Aurora (the "City"), in Arapahoe County, Colorado. The District was organized in conjunction with other related districts, Horizon Metropolitan District Nos. 1, 3, 4, 5, 6, 7, 8, 9 and 10. The Districts, collectively, will undertake the financing and construction of the public improvements. The Districts shall enter into one or more Intergovernmental Agreements which shall govern the relationships between and among the Districts with respect to the financing, construction and operation of the public improvements. The District will establish a mechanism whereby any one or more of the Districts may separately or cooperatively fund, construct, install and operate the improvements.

On November 1, 2005, District electors approved revenue indebtedness of \$150,000,000 for street improvements, \$150,000,000 for traffic safety, \$150,000,000 for water supply system, \$150,000,000 for sanitary sewer and transmission system, \$150,000,000 for parks and recreation, \$150,000,000 for mosquito control, \$150,000,000 for fire protection system, \$150,000,000 for television relay and translation system, \$150,000,000 for public transportation system and \$5,000,000 for general operations and maintenance. The District electors also approved \$150,000,000 for refinancing of District debt, \$150,000,000 for debt associated with intergovernmental contracts and \$150,000,000 for debt associated with intergovernmental contracts associated with capital projects.

On November 4, 2008, District electors approved revenue indebtedness of \$750,000,000 for street improvements, \$750,000,000 for traffic safety, \$750,000,000 for water supply system, \$750,000,000 for sanitary sewer and transmission system, \$750,000,000 for parks and recreation, \$750,000,000 for mosquito control, \$750,000,000 for fire protection system, \$750,000,000 for television relay and translation system, \$750,000,000 for public transportation system, \$750,000,000 for solid waste disposal facilities, and \$150,000,000 for general operations and maintenance. The District electors also approved \$750,000,000 for refinancing of District debt and \$750,000,000 for debt associated with intergovernmental contracts. The election also approved an annual increase in taxes of \$150,000,000 for general operations and maintenance and \$750,000,000 for regional improvements.

The Districts' service plan limits the total debt issuance of the project to \$750,000,000. The Maximum Debt Mill Levy the District is permitted to impose is 50.000 mills for any aggregate District's Debt which exceeds fifty percent of the District's assessed valuation. The Maximum Debt Mill Levy will be adjusted for changes in the ratio of actual value to assessed value of property within the District. As of December 31, 2019, the adjusted Maximum Debt Mill Levy is 55.664 mills. For the portion of any aggregate District's Debt which is equal to or less than fifty percent of the District's assessed valuation, either on the date of issuance or at any time thereafter, the mill levy to be imposed to repay such portion of Debt shall not be subject to the Maximum Debt Mill Levy and, as a result, the mill levy may be such amount as is necessary to pay the Debt service on such Debt, without limitation or rate.

The District has no employees and all administrative functions are contracted.

**HORIZON METROPOLITAN DISTRICT NO. 2  
2021 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Services Provided (continued)**

The District prepares its budget on the modified accrual basis of accounting, in accordance with requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

**Revenues**

**Bond Issuance**

The District anticipates issuing general obligation bonds. Bond proceeds will be used to pay infrastructure costs, bond issue costs and capitalized interest. Significant terms of the bond issuance will be determined at the time of issuance.

**Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on the Property Tax Summary page of the budget using the adopted mill levy imposed by the District.

**Specific Ownership Taxes**

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the county Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected.

**Expenditures**

**General and Administrative Expenditures**

General and administrative expenditures include the estimated services necessary to maintain the District's administrative viability such as legal, management, accounting, insurance and meeting expense but are to be incurred and paid by District No. 1.

**HORIZON METROPOLITAN DISTRICT NO. 2  
2021 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Expenditures (continued)**

**County Treasurer's Fees**

County Treasurer's fees have been computed at 1.5% of property tax collections.

**Intergovernmental Expenditures – Transfer to Other Districts**

The District is obligated to impose a mill levy, subject to certain adjustments, and remit property taxes derived from such mill levy, and specific ownership taxes applicable to property within the District, after deducting administrative expenditures to the Operating District, District No. 1.

**Debt and Leases**

The District anticipates issuing Bonds in early 2021. Bond proceeds will be used to pay infrastructure costs and bond issue costs. Significant terms of the bond issuance will be determined at the time of issuance.

**Emergency Reserves**

TABOR requires local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since substantially all funds received by the District are transferred to District No. 1, which pays for all Districts' operations and maintenance costs, an Emergency Reserve is not reflected in the District's 2021 Budget.

**This information is an integral part of the accompanying budget.**
