Dear Resident,

We're reaching out to let you know there will be lane and street closures in your area beginning Wednesday, September 28, in preparation for concrete flatwork and asphalt repairs at the Horizon Uptown project.

This work will require lane closures on interior roads between 7<sup>th</sup> Ave and East 9<sup>th</sup> Pl **over a one-month period, that may require no access into interior alleys during the day.** Please pay attention to door placed notices providing up to 48 hours of notice where vehicles may be subjected to towing/blockage. Work hours are from 7 a.m. to 6 p.m. each day.

Look for signs in the area for updates. Schedules are dependent on weather and could change.

If you have any questions please contact Brenden Kisselman @ (720) 560-0603 or [Brenden.kisselman@heicivil.com](mailto:Brenden.kisselman@heicivil.com).

Thank you,

Brenden Kisselman  
Project Manager Assistant
