**HORIZON METROPOLITAN DISTRICT NO. 1
2021 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

The District, a quasi-municipal corporation and a political subdivision of the State of Colorado, was organized by order and decree of the District Court for Arapahoe County on March 6, 2006, to provide financing for the acquisition and installation of streets and traffic signals, water, sewer, storm drainage and park and recreation facilities. The District's service area is located entirely within the City of Aurora (the "City"), in Arapahoe County, Colorado. The District was organized in conjunction with other related districts, Horizon Metropolitan District Nos. 2, 3, 4, 5, 6, 7, 8, 9 and 10. The Districts, collectively, will undertake the financing and construction of the public improvements. The Districts shall enter into one or more Intergovernmental Agreements which shall govern the relationships between and among the Districts with respect to the financing, construction and operation of the public improvements. The District will establish a mechanism whereby any one or more of the Districts may separately or cooperatively fund, construct, install and operate the improvements.

On November 1, 2005, District electors approved revenue indebtedness of \$150,000,000 for street improvements, \$150,000,000 for traffic safety, \$150,000,000 for water supply system, \$150,000,000 for sanitary sewer and transmission system, \$150,000,000 for parks and recreation, \$150,000,000 for mosquito control, \$150,000,000 for fire protection system, \$150,000,000 for television relay and translation system, \$150,000,000 for public transportation system and \$5,000,000 for general operations and maintenance. The District electors also approved \$150,000,000 for refinancing of District debt, \$150,000,000 for debt associated with intergovernmental contracts and \$150,000,000 for debt associated with intergovernmental contracts associated with capital projects.

On November 4, 2008, District electors approved revenue indebtedness of \$750,000,000 for street improvements, \$750,000,000 for traffic safety, \$750,000,000 for water supply system, \$750,000,000 for sanitary sewer and transmission system, \$750,000,000 for parks and recreation, \$750,000,000 for mosquito control, \$750,000,000 for fire protection system, \$750,000,000 for television relay and translation system, \$750,000,000 for public transportation system, \$750,000,000 for solid waste disposal facilities, and \$150,000,000 for general operations and maintenance. The District electors also approved \$750,000,000 for refinancing of District debt and \$750,000,000 for debt associated with intergovernmental contracts. The election also approved an annual increase in taxes of \$150,000,000 for general operations and maintenance and \$750,000,000 for regional improvements.

The Districts' service plan limits the total debt issuance of the project to \$750,000,000. The Maximum Debt Mill Levy the District is permitted to impose is 50.000 mills for any aggregate District's Debt which exceeds fifty percent of the District's assessed valuation. The Maximum Debt Mill Levy will be adjusted for changes in the ratio of actual value to assessed value of property within the District. As of December 31, 2020, the adjusted Maximum Debt Mill Levy is 55.664 mills. For the portion of any aggregate District's Debt which is equal to or less than fifty percent of the District's assessed valuation, either on the date of issuance or at any time thereafter, the mill levy to be imposed to repay such portion of Debt shall not be subject to the Maximum Debt Mill Levy and, as a result, the mill levy may be such amount as is necessary to pay the Debt service on such Debt, without limitation or rate.

The District has no employees and all administrative functions are contracted.
